

My girls

Were embarrassed  
for me  
at the way

The fly fit  
on my  
new trousers

Okay, I said,  
yes, it  
is obvious

There is  
something  
there, but

Who could  
ever guess  
what it was

Can you

Imagine two  
people like that

Ever getting to-  
gether and fucking

But you will  
notice they do

Have several  
kids
